Prepaid rates are charged for all flights taken until the Private Pilot License is obtained. Once you prepay, if you use all of the funds up prior to taking the check ride, you can receive the same rates if you apply monies to your account. If not, you have the choices of purchasing a 10-hour block of time, joining the Club, or finishing at the straight rate. Classes run concurrently and once you enroll, you may attend as often as you wish until the license is obtained. Both the Classroom and Audio Visual Ground School are FAA approved.

This package listed above is based on prepayment and reflects the minimum requirements for the Private Pilot License, as stated in FAA Regulations 141.55 Appendix A. and any additional time needed over and above the stated minimum will be charged at the same discounted rate.

Subtract cost of books and ground school from the package price if the Private Written has been passed prior to enrollment.

10% penalty on funds **used** if refund is given prior to completion of course.
