St. Charles Flying Service, Inc. is pleased to offer a prepaid Instrument Course using the Part 141 instrument curriculum. This package includes the cross-country requirements under Part 141 of the FAA regulations. Completing your training under Part 141 waives the requirement for 50 hours of PIC cross-country time required under Part 61.

- **If you use all of the pre-paid funds prior to taking the check ride, you have the option to purchase additional 10 hour blocks and get credit for 11 hours to use as you desire, or pay the straight rate.**
- **Refunds will be given during the first twelve months of training, after that all monies must be used for flying or other services provided by St. Charles Flying Service, Inc.**
- **Classes run concurrently and once you enroll you may attend as often as you wish until the license is obtained.**
- **Both the Classroom and Audio Visual Ground School are FAA approved.**

\*Upon payment of package a credit of \$598 will be added to your account giving you a credit balance of **\$7071.28** to be used towards any purchases made.

Subtract cost of kit, and Home Study DVD from package price if the Instrument Written has been passed prior to enrollment.

**Fuel surcharge is additional based on the cost of fuel at the time of the flight**

**10% penalty on funds used if a refund is given prior to completion of the course.**
