

Private Pilot Ground School Pricing

Option 1

Ground School Only: \$400

There will still be \$75 to \$150 cost in supplies required.

The texts used for reading assignments will be at the discretion of the student.

Option 2

Ground School with Cessna/King Online Package: \$575

This includes 15 Ground School sessions of 3.5 hours each.

It also includes most required supplies that come with C/K package.

The texts used for reading assignments will be the C/K online itself.

Option 3

Cessna/King Online Package Only: \$375

The texts used for reading assignments will be the C/K online itself.

With this, you may sit in on any scheduled Ground Class for: \$25 per session*

* The first session you wish to attend is free.

You can elect Option 2 at any point and be refunded all paid sessions when doing so.

With Option 2, the net cost of sitting in this ground class (exclusive of the cost of the online class) is less than \$4 an hour. As well, once registered for the in-person class, you may attend any subsequent class or session you desire at no additional cost.
