Block Prices are only available to customers that either rent or do flight training in St. Charles Flying Service aircraft only.

Block Prices are not available to customers that do flight training at St. Charles Flying Service in their own aircraft, purchase fuel, oil, purchase parts for their own aircraft, or have maintenance done at St. Charles Flying Service for their own aircraft.

* Customers must have a zero balance (\$0.00) and not owe St. Charles Flying Service any money to be eligible to purchase another Block at Block Prices. If a customer owes St. Charles Flying Service any money they must pay off their balance or money owed first before purchasing another Block.

** Solo Block prices include a 5.95% local sales tax. Dual flights are not taxed, because it is considered educational in the state of Missouri.

***Block rate gives the purchaser 11 hours of rental for the price of 10 plus tax or a 10% discount.

***Can purchase more than 10 hours if wanted.

***Discount only applies if entire block is used, If refunded the credit is reversed.

***See Sandy for Account Refund Policy.
